Word from the Principal

Here we are at the end of 2024.

What a wonderful year of learning and growing we have had.

We have great cause to celebrate.

All children achieved within, at, or above their year level, and every student had learning growth in their PAT Math and English assessment.

“Every Child can achieve and be successful”.

Thank you all for coming along to the Share our Learning Day. As you could all see, the children and staff worked exceptionally hard to showcase their magnificent learning.

Special thank you to Reggie for welcoming our school community to country.

I would like to wish our year 6 graduates, Shay, Jirdara, Destiny, Jasmine, Malachi, Freyia, Logan, Chicobi and Billy all the best at Sale Secondary College.

The graduation night was a huge success. Every child put their best foot forward. We were welcomed to “The Royal Event” with red carpet entry, the royal thrones at the front and Taze playing his Cello. Thank you Taze, it was perfect.

Huge thank you to Miss Ponton for all the organisation and support you have given our

students over this term to make this night so successful. Each Tuesday, Miss Ponton supported and guided the children to create their PowerPoints, make the booking, develop their theme and make signage and prompts, all coming together on the night. It was magnificent.

We are still looking forward to Gumbuya World tomorrow!!

FROGS Values all the way!

Congratulations everyone we are all going!!

For our last three days of school:

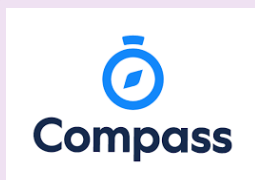

Monday & Tuesday will be activity days.

Wednesday the last day is clean up day. We finish at 2:15.

We are all looking forward to the holiday. We hope you all have a wonderful and safe break.

We will see you all next year, Tuesday the 30th 2024.
